## WORK EXPERIENCE

01/10/2007–15/05/2008

**Actionscript developer**

Actionscript SRL, Targu Mures (Romania)

- developed some small Flash games and the first Flex application.

01/06/2008–01/08/2010

**Flex developer**

Reea, Targu Mures (Romania)

- I've been working on various projects with different teams.

- three of the biggest project being: a flip book, a drawing application and an online shop.

24/08/2010–01/06/2012

**Flex developer**

Riplife Gaming Technologies, Malaga (Spain)

- I've been working on two major projects: one being a live betting application and the other one a casino lobby containing multiple games.

15/06/2012–01/06/2016

**Web developer**

Softvision, Cluj Napoca (Romania)

- it was the first time I worked on Javascript related projects.

- the first project I worked on was developing the administrator panel for a chat application.

- second application I worked for was a chat application for Voalte. It was developed using AngularJS and WebSockets as main technology on frontend.

- third application I developed was another chat application (Texfree Web).

22/06/2016–Present

Betfair, Cluj Napoca (Romania)
